Forecast For West Midlands
Issued by Met Office Exeter
at 1600 on Saturday 26 Jun 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Dry for most, with potential rain in southernmost areas overnight.

This Evening and Tonight:
Showers in the south of the region clear this evening to leave largely dry conditions overnight. Becoming cloudy overnight, with rain possibly glancing southernmost parts in the early hours. Minimum temperature 11 deg C (52 deg F).

Sunday:
Remaining dry but rather cloudy for most. However, further occasional outbreaks of rain expected for southern areas, these more frequent and heavy in the evening and overnight. Maximum temperature 20 deg C (68 deg F).

Outlook for Monday to Wednesday:
Rain edging northwestwards in an uncertain fashion on Monday, heavy at times. Cloudy on Tuesday and Wednesday with further outbreaks of rain.
